Donâ€™t shut your eyesâ€¦donâ€™t turn out the lightsâ€¦you might run into the coolest person youâ€™ve ever met!

Sixth-grader Stetson Oliver has a great life: a loving family, good grades, fantastic hopes and dreams. One night while drifting off to sleep, Stetson thinks he sees movement in the shadows; in the blink of an eye, objects around his room have mysteriously been moved. When he turns his head, Stetson is met by a dark, hooded figure towering above himâ€¦!

The Boogerman has haunted and tormented numerous children (Stetson included) for many sleepless nights, only to find that heâ€™s getting a bad rapâ€”but heâ€™s just misunderstood, he swears! With Stetsonâ€™s help, he wants to reshape his image and right his reputation. As Stetson and the Boogerman embark on a dangerous adventure, the stakes are raised...and Stetson soon learns that making a deal with the Boogerman is like making a deal with the devilâ€”nothing is an even trade.
